

Age Wise

As part of Social Inclusion Week Roscommon LEADER Partnership are hosting an Age Wise workshop in Roscommon LEADER Partnership Offices on 15th October at 3.00pm. The purpose of session is to encourage reflection among participants, starting with how they feel about their own ageing. This is relevant no matter how old/young each participant is.

Then it focuses on societal messaging about ageing and older people and we explore the stereotypes and how they are perpetuated through language and imagery. This leads to an exploration of prejudice and discrimination. This is offered by RLP in partnership with Roscommon Older People Council and South Roscommon Citizen's Information Service.
